

**REMARKS**

Reconsideration of the application is respectfully requested in view of the above amendments and the following remarks. Claims 1-13, 44 and 52-61 are pending.

A Notice of Non-Compliant Amendment was sent in this case. Applicants resubmit the claims indicating that claims 45-51 have been cancelled. Applicants respectfully request that the claims be entered and examined.

As Applicants have overcome all substantive rejections and objections given by the Examiner and have complied with all requests properly presented by the Examiner, Applicants contend that this Amendment, with the above discussion, overcomes the Examiner's objections to and rejections of the pending claims. Therefore, Applicants respectfully solicit allowance of the application. If the Examiner is of the opinion that any issues regarding the status of the claims remain after this response, the Examiner is invited to contact the undersigned representative to expedite resolution of the matter.

Please charge any fees associated herewith, including extension of time fees, to **50-2117**.

Respectfully submitted,  
Oxley, Derek A. et al.
